and requests the interpretation of the G.O. of the 23rd Jany 1919 as conveyed in this office docket no 2741 & 4. 8. 19 may be adopted in regard entrusting to private presses Govt printing works costing more than Rs 25/- and less than Rs 200/-

The docket of 4 8.19 referred to both by the comptroller and the Supdt Govt Printing, only states that Sanction of Govt is not necessary under para 4 of the G.O of 23-1-19 as the work cost of the work & is less than Rs 200/-

But it is clear ~~from the G.O.~~ that the Sanction of the Administrative Department Concerned is quite necessary as ~~per para 3 of the G.O.~~ under para 3 of the G.O.

(5) The restriction in para 3 of the G.O of 23-1-1919 ~~White~~ doubtless fruitful source of ~~corr~~ correspondence may be done away with & it is well that the relative bearing of the G.O of 11-6-1915 re: ~~Printing work Other~~ Printing work other done for Govt Depts and of the G.O of 23rd Jany 1919 re the manner of getting through the Printing work to be done for Govt Depts be more clearly defined and appreciated than hitherto the case till now

(6) It is respectfully submitted that the following rules may be laid down to clear all doubts in the matter

(1) Only work specified in the G.O of 11-6-15 & other orders amending or adding to it should be sent to & accepted direct by the Govt Supdt of Printing; from the several Depts of Govt

(2) In all other cases, the Depts requiring the certain matter to be printed should obtain the sanction of Govt in its Admve Dept & send the matter to the Supdt with such sanction

(3) On receipt of matter under (1) & (2), the Supdt will arrange for the expeditious printing, either in the G.P. Bangalore or G.B.P. Mysore or in a private Press according to the personnel of work.

of works costing ~~not exceeding Rs~~ or estimated to cost ~~not more than~~ Rs 200/- or more, he should call for tenders in the Press dept and report the result to Govt for orders as regards which tender to accept

(5) When work is entrusted to a private Press under (3) or (4) the Press concerned should be bound by an agreement to finish the work within a particular time and it should send all proofs etc & take orders ~~as regards punctuality etc~~ in the same manner as Govt Press do

(6) The final bill should be Countersigned by the Dept concerned as regards ~~expeditious~~ punctuality ~~& delivery~~ of copies before Supdt pays the amount

The main point in (5) & (6) is that once the work is assigned to a Private Press, ~~the question arises~~ the Dept & the Press should deal direct in the interests of expedition, the Supdt being Consulted by the Dept only when necessary

The restriction in para 3 of the G.O. of 23-1-19 now seems to be done away with

SIR,

I have the honor to state that the Superintendent, Government Printing, has forwarded a copy of your docket No.G.2741, dated 4th August 19 in the matter of printing work done by the City Press, Bangalore, at a cost of R$54/- it is stated therein that sanction of Government is ~~now~~ unecessary under para 4 of G.O.No.G.15210-69/G.P.11-14-3 dated 23rd January 19 the cost being less than R$200/-. But the concluding portion of para 3 of the same Government Order requires that if any works sent to the Superintendent, cannot be done by the Government Press, he should get them done at a private press, after obtaining Government Sanction thereto. Reading paras 3 & 4 together it appears to be the intention that

(i) when the cost is less than R$25/- the printing may be done at the Government Press or a private press at the discretion of Heads of Departments.

(ii) When the cost is R$25/- and less than R$200/- the Superintendent Government ~~Press~~ Printing will either do the work himself or obtain the sanction of Government and place the order with a private press, and

(iii) when the cost is R$200/- or more, the Superintendent will invite tenders from recognised presses and accept the lowest tender, subject to the approval of Government. The marginally noted Government Orders

Copy of Chief Secretary's docket No. G.2741 dated 4th August 1919 from the Chief Secretary to the Government of Mysore Bangalore to the Superintendent, Government Printing in Mysore, Bangalore.

With reference to his letter No.151 dated 24th July 1919 requesting sanction to a bill for Rs.54/- on account of printing work done by the City Press, Bangalore, has the honor to state that as the work costs less than Rs.200/- sanction under of Government Order No. G.15210-69/G.P.11-14-3 dated 23rd January 1919 is un-necessary.

As regards the bill itself it may be adjusted in consultation with the Secretary, Education Committee.

To

Chief Secretary to the Government of Mysore,

SIR,

With reference to Comptroller's letter No.271/T.A.D. C. dated 12th instant, addressed to the Chief Secretary, I have the honor to state that as per clause(ii)of the Comptroller's letter it is not possible to approach Government every time to obtain sanction for printing a work which is to be sent to a Private Press, as it necessarily involves delay which the Department sending the work cannot afford to bear, besides entailing additioenal heavy work in the secretariat. I therefor think that the interpretation put upon the reading of paras 3 and 4 of Government Order No. G.15210-69/G.P.11-14-3 dated 23rd January 1919 by the Chief Secretariat as conveyed in docket No. G.2741 dated 4th August 1919 is correct and may be adopted.

A definite ruling may be issued accordingly.

I have the honor to be,
Sir,
Your most obedient servant,

Superintendent,
